

Athena-Weston Education and Resource Enhancement

PURPOSE OF AWERE

AWERE is established to distribute private charitable donations from NEXTERA Energy to community improvement projects within AWERE's service area (e.g., the territory defined by the boundaries of the Athena-Weston School District).

AWERE will select the recipients of these funds based on their ability to initiate, support, and/or advance beneficial community enhancement projects within the service area.

CRITERIA FOR APPLICATION

Projects shall enhance the livability within the service area.

The funds must be used for a visible, tangible completed project.

Recipients may include social, charitable, fraternal, public, educational groups or entities that engage in projects that will enhance community livability.

Seven copies of completed application (in required format) must be submitted to AWERE in address listed on application.

A program, funded by NEXTERA Energy Resources, to support community enhancement.
